School Fees – 2026

The School Governing Body Annual General Meeting was held at the school on Tuesday, the 11th November 2025.

We would like to thank all the parents who attended for their participation and acceptance of the resolutions.

The resolutions regarding school fees were accepted for 2026, which are:

- The School fees for 2026 will be R 34 800.00 for Grades 1- 7, and R 37 100.00 for the Pre-primary classes.
- Annual school fees are payable in advance and are due on the 1st of January.
- A compulsory R 1 500.00 ICT Levy is payable for Grades 1 - 7

Fees may be paid in the following ways:

- Single upfront payment with a 5% discount for full payments made until 31 January 2026 and 2.5% for full payments made before 28 February 2026
- 10 equal EFT instalments commencing on the 1st January and ending the 1st October 2026
- Four quarterly payments payable on the first day of each term
- Ten monthly debit order instalments commencing January to October 2026 (please contact the Finance office to obtain a form)
- If you want to discuss another payment plan, please engage with the Finance Office.
- Exemption forms must be collected from the Finance Office before the 27th February 2026.

Should you choose this single upfront payment, you may select to **donate the 5% or 2.5%** savings to the school's sponsor program, and you can then request a **Section 18a tax certificate** for this donation with which you can claim a tax rebate from SARS. Details of the Sponsor program are attached to this letter.

Please do not hesitate to contact us should you have any questions
